

TECHNICAL DATA SHEETS

PERMOGLAZE GALVANISED IRON CLEANER

DESCRIPTION	Permolaze Galvanised Iron Cleaner is a mild solution with a blend of corrosive acids.	
CHARACTERISTICS	<ul style="list-style-type: none"> • Excellent cleaner for non-ferrous surfaces such as galvanised steel and aluminium • Washes off easily with water • Simple to use • Provides an efficient key for future coating 	
COMPOSITION	Balanced blend of surfactants, aromatic solvents and monobasic acids	
SURFACE PREPARATION	<ul style="list-style-type: none"> • Surfaces must be dry and moisture content of surface should not be more than 10 % when measured with a moisture meter. • Surfaces must be free of dirt, dust, grease, oil and loose paint. • Surfaces must first be hosed or washed down with clean water to remove heavy dust and grit deposits. • Once cleaning is completed, surfaces should be thoroughly washed with water to remove the powdery deposit left by the Permolaze Galvanised Iron Cleaner. Galvanised steel surfaces must be checked to ensure that they are water-break free after cleaning. • The treatment must be repeated on areas which may have been missed during the initial cleaning operation. 	
APPLICATION	Method Cleaning Spreading Rate/litre	Brush, sponge or pad. Wash equipment with clean water immediately after use. ±20m ² depending on surface, ambient conditions, colour, dilution and application methods Shades Clear
PRECAUTIONS	The air temperature must not be below 10°C and not higher than 35°C. Humidity must not be below 10% and not higher than 85%.	
PACKAGING	Available in 1, 5 & 20 litres	
STORAGE	Keep in a cool, dry place and away from heat sources	
SAFETY, HEALTH & ENVIRONMENT INFORMATION	<ul style="list-style-type: none"> • Highly inflammable. • Keep away from heat, sparks and open flames. • Handle with care • Ensure good ventilation during application. • In case of insufficient ventilation during painting, wear suitable respiratory equipment. • Avoid contact with skin and eyes. • If contact with skin occurs, wash well with soap and water • In case of contact with eyes, rinse immediately with plenty of clean water and seek medical attention. • Keep out of reach of children. • Do not use empty paint containers for storing foodstuffs. • Do not throw paint containers or contents in the waterways or environment. • Contains no added Lead/Mercury/Nickel/Cadmium.
